Vsoft Infoware, Inc. Receives 2015 Best of Princeton Award

Princeton, New Jersey, October 26, 2015 – Vsoft Infoware, Inc. is proud to announce that we have been selected for the 2015 Best of Princeton Award in the Health & Medical category by the Princeton Award Program.

Each year, the Princeton Award Program identifies companies that they believe have achieved exceptional marketing success in their local community and business category. They identified Vsoft Infoware, Inc. as exceptional company that helps to make the Princeton area a great place to live, work and play.

Regarding this award, Vsoft Infoware spokesperson Mr. Sucheth Salian said, “The 2015 Best of Princeton Award can be a real asset to the company in connecting with the private-sector pharmaceutical and biotechnology buyers. Additionally, the award provides Vsoft Infoware with great exposure to the global pharmaceutical and biotechnology community looking for innovation in eClinical space and offers a tremendous opportunity to engage this community in the clinical trials process.”

About Princeton Award Program

The Princeton Award Program is an annual awards program honoring the achievements and accomplishments of local businesses throughout the Princeton area. Recognition is given to those companies that have shown the ability to use their best practices and implemented programs to generate competitive advantages and long-term value.

The Princeton Award Program was established to recognize the best of local businesses in our community. Organization works exclusively with local business owners, trade groups, professional associations and other business advertising and marketing groups. Organization mission is to recognize the small business community's contributions to the U.S. economy.
